

Contrary to the thoughts of some, America is not the source of all the world's problems, we are also not the solution. But with great power comes great responsibility, Mr. Speaker, and we have been given great power.

It is our duty to get this right. Just like in the parable of the talents—to whom much is given, from whom much is expected. There is no excuse in remaining ignorant. People are dying. We need to get this right.

Mr. Speaker, I yield back the balance of my time.
